INFORMATION DISCLOSURE STATEMENT

United States Patent and Trademark Office
P.O. Box 2327
Arlington, VA 22202

Dear Sir:

Enclosed is form PTO-1449 listing references that are also enclosed. All of the listed references were first cited in a communication from a foreign Patent Office in a counterpart foreign application more than three months prior to the filing of this Information Disclosure Statement. Documents 63-111934 and 62-24943 are Japanese Utility Model publications of which no English translation are available, but are relevant for the disclosure in the drawings thereof, as each relates to an apparatus for evaluating activity of catalysts. English translations of the reference numerals in the drawings are submitted in the present Information Disclosure Statement for the convenience of the Examiner. This Information Disclosure Statement is being filed before the receipt of a first Office Action on the merits, and presumably no fee is required in accordance with 37 C.F.R. § 1.97(b)(3). If a first Office Action on the merits was mailed before the mailing date of this Statement, the Commissioner is authorized to charge the fee set forth in 37 C.F.R. § 1.17(p) to Deposit Account No. 11-1410.

Respectfully submitted,
KNOBBE, MARTENS, OLSON & BEAR, LLP
